ARTICLE 1 INTRODUCTION, SCOPE AND APPLICATION

- 1.1 *BCCI* has adopted these *Minimum Standards* in support of the *BCCI Anti-Corruption Code* and the fundamental sporting imperatives which that *Code* is designed to address. In particular, the *Minimum Standards* seek to combat advancing mobile communication technology and increasing sophistication in the methods by which betting takes place on cricket matches, by restricting to the greatest extent possible all methods of communication between *Players*, *Player Support Personnel* and *Match Officials* with all third parties from the moment that they first enter the *PMOA* on the day of an *WPL Match* right through until the formal conclusion of the *WPL Match* (i.e. after the last ball has been bowled).
- 1.2 By their participation (in the case of a *Player*) or assistance in participation or other involvement (in the case of a *Franchisee*, *Player Support Personnel*, *Franchisee*, *Match Official* or *Match Official Support Personnel*) in a *Match*, all *Players*, *Player Support Personnel*, *Franchisee*, *Match Officials* and *Match Official Support Personnel* shall be deemed to:
: (a) have agreed that they are automatically bound by and required to comply with all of the provisions of these *Minimum Standards*; and (b) agree to submit to the authority of the *Head ACSU* (and/or any individual appointed by either to act on his/her behalf), to adopt, apply, monitor and enforce these *Minimum Standards*.
- 1.3 For the avoidance of any doubt, nothing in these *Minimum Standards* is intended to limit the responsibilities of any *Franchisee*, *Player*, *Player Support Personnel*, *Match Official* or *Match Official Support Personnel* under the *BCCI Anti-Corruption Code* or any other *BCCI* or *WPL* regulations that may apply from time to time.
- 1.4 The *Minimum Standards* shall come into full force and effect on **1 February 2024** and shall replace all previous versions of the *Minimum Standards*.

Such accreditation system must include, at a minimum, the use of accreditation cards that bear a clear and easily identifiable photograph and the name of the individual to whom such card has been issued;
 - 2.2.3 provide adequate security at each entrance to the *PMOA* at all times from the moment that the stadium has commenced its access control for the *Match* right through until all *Players* and *Match Officials* have left the stadium after the *Match* has been completed;

- 2.2.10 install CCTV covering all access points to each of the team dressing rooms and shall ensure that such footage is copied at the end of the *Match* to a hard-drive or any other device provided by the *BCCI Anti-Corruption Manager*;

GUIDANCE NOTE: *It is not a requirement of these Minimum Standards, but as a matter of 'best practice', the BCCI's ACSU recommends that, unless otherwise agreed by the BCCI Anti-Corruption Manager, each of the team dressing rooms should only have one entry/exit point.*

- 2.2.11 ensure that there are no fixed or temporary video cameras or other recording equipment set up within any dressing room (including any adjoining medical or other similar rooms) used by the teams or *Match Officials* for the purposes of broadcasting video or audio footage from the moment that the stadium has commenced its access control for the *Match* right through until the *Match* has been completed (i.e. the last ball has been bowled);

ARTICLE 3 DISPLAY OF ACCREDITATION CARDS FOR THE *PMOA*

3.1 General Principles:

- 3.1.1 As a general rule, access to the *PMOA* will be restricted to only those individuals whose presence in that area is absolutely essential for operational purposes. This would invariably include *Players, Match Officials, BCCI Anti-Corruption Manager*, other BCCI ACSU staff and *Player Support Personnel* such as members of the team coaching staff, medical and physiotherapy staff, team analyst, kit/baggage man, team liaison officer, team media manager and team security manager.
- 3.1.2 In certain circumstances, *PMOA* accreditation may also need to be issued to other individuals who may need access to the *PMOA* from time to time for operational reasons, including, for example, BCCI officials and members of the venue's security, maintenance or cleaning or catering staff. In respect of such individuals who require access on a regular basis through the WPL season, a special supplementary *PMOA* accreditation card may be authorized by the *BCCI Anti-Corruption Manager* and produced in accordance with the provisions set out in Article 2.2.2. In respect of individuals who need temporary access to the *PMOA*, temporary "visitor" accreditation may be issued by the *BCCI Anti-Corruption Manager*. Such temporary accreditation can only be provided by the *BCCI Anti-Corruption Manager*, who may impose such conditions on the accreditation (including for specific time periods or areas etc.) as he/she deems appropriate in the circumstances.
- 3.1.3 For the avoidance of doubt, and except as described in Article 3.2, below, no individual, irrespective of their identity, job, role or responsibility, will be allowed to enter, or remain within, the *PMOA* without displaying an official accreditation card.

3.2 *Players, Player Support Personnel* and *Match Officials*:

- 3.2.1 All *Players, Player Support Personnel* and *Match Officials* must display their *PMOA* accreditation cards prior to their first entry into the *PMOA* on the day of an *WPL Match*.
- 3.2.2 Once they have complied with Article 3.2.1, all *Players, Player Support Personnel* and *Match Officials* do not need to continue to display or carry their *PMOA* accreditation cards so long as they remain at all times within any of the *PMOA*, the nets or practice area or field of play.

3.3 'Visitors' to the *PMOA*:

- 3.3.1 All visitors must display their supplementary *PMOA* accreditation card or their *PMOA* temporary 'visitor' accreditation card (as relevant) whenever they enter or leave the *PMOA* from the moment that the stadium has commenced its access control for an *WPL Match* right through until the *Match* has been completed (i.e. the last ball has been bowled).
- 3.3.2 All temporary visitors must carry their supplementary *PMOA* accreditation card or their *PMOA* temporary 'visitor' accreditation card (as relevant) at all times whilst they remain within the *PMOA*.

ARTICLE 4 USE OF COMMUNICATION DEVICES IN THE *PMOA*

4.1 Subject strictly to the exceptions set out in Article 4.2, the following prohibitions shall apply from the moment that the first *Player* of any participating team enters the *PMOA* for an *WPL Match* right through until the formal conclusion of the *Match* (i.e. after the final ball has been bowled):

4.1.1 no person shall be allowed to use and/or carry any *Mobile Device* for any reason whatsoever, whether to access the *Internet* or otherwise, in the *PMOA*;

4.1.2 no person shall be allowed to use and/or or carry, any laptop computer (or any other similar communication device) for any reason whatsoever, whether to access the *Internet* or otherwise, in the *PMOA*; and

4.1.3 no person shall be allowed to use any static / landline (or similar) telephone capable of making calls from inside or receiving calls from outside the *PMOA*.

4.2 Unless otherwise agreed by the *BCCI Anti-Corruption Manager* in advance, the only exceptions to the above prohibitions are:

4.2.1 each team manager shall be permitted to carry a *Mobile Device* within the *PMOA*, provided that it is used either: (a) by him/her for cricket operations purposes only; and/or (b) by any *Player* or *Player Support Personnel* for any important personal matter, provided that the team manager has given his express permission to the *Player* or *Player Support Personnel* before such use;

4.2.2 not used;

4.2.3 each team security manager and *Match Officials* security manager shall be permitted to carry a *Mobile Device within the PMOA* but any such device must be turned onto silent mode at all times whilst such individual is in the *PMOA* and must not be used for any purpose either inside or outside the *PMOA* at the venue, other than in the case of a security emergency;

4.2.4 each *Match Referee* shall be permitted to carry all of the *Mobile Devices* that have been collected from each *Umpire* (including any third or other *Umpire*) as part of any protocol implemented by a *Match Referee* pursuant to Article 2.3.4 above;

4.2.5 each team manager shall be permitted to carry and use a laptop computer (or any other similar communication device), whether to access the *Internet* or otherwise, within the *PMOA*, provided that it is used only by him/her and only for cricket operations purposes of a logistical or administrative nature related to the *Match* or upcoming *WPL Matches*;

GUIDANCE NOTE: For the avoidance of doubt, any team manager who uses his laptop computer (or any other similar communication device) other than for cricket operations purposes of a logistical or administrative nature (for example, for personal use) shall automatically be in breach of Article 4.2.5.

Nothing in Article 4.2.5 shall prevent a Player or Player Support Personnel being able to view the screen of a laptop computer that is being used by the team manager, provided that

his/her viewing of the laptop: (a) is carried out at all times in the company of the team manager; and (b) is for cricket operations purposes of a logistical or administrative nature only.

- 4.2.6 a further one other *Player Support Personnel* per team, whose identity must be approved in advance by the *BCCI Anti-Corruption Manager*, shall be permitted to carry and use a laptop computer (or any other similar communication device) within the *PMOA*, provided that: (a) it is used only by the identified individual and only for cricket operations purposes; (b) it may not be used to access the *Internet* and/or for any audio-video communication at any time until the final ball in the *Match* has been delivered; and (c) the *BCCI Anti-Corruption Manager* shall have absolute discretion to direct that the laptop computer (or any other similar communication device) be used only in a specific area or location within the *PMOA*.

GUIDANCE NOTE: *Nothing in Article 4.2.6 shall prevent a Player or Player Support Personnel being able to view the screen of a laptop computer that is being used by the permitted Player Support Personnel, provided that his/her viewing of the laptop: (a) is carried out at all times in the company of the permitted Player Support Personnel; and (b) is for cricket operations purposes only.*

- 4.2.7 the team doctor shall be permitted to carry and use one Mobile Device and one laptop computer (or other similar device), whether to access the Internet or otherwise, within the *PMOA*, provided that either device will only be used in the case of a genuine medical emergency and must not be used for any other purpose. Any such Mobile Device must be turned onto silent mode at all times whilst such individual is in the *PMOA*. Any such laptop computer (or other similar device) carried by the team doctor must be password protected and password locked when not in use, with the password known only to the team doctor;

GUIDANCE NOTE: *For the avoidance of doubt, any team doctor who uses a Mobile Device and/or laptop computer (or any other similar communication device) other than in the case of a genuine medical emergency (for example, for personal use) shall automatically be in breach of Article 4.2.7. The team doctor shall provide the telephone number of any Mobile Device used by him/her in the PMOA to the BCCI Anti-Corruption Manager at the start of the match. The team doctor shall allow the BCCI Anti-Corruption Manager access to the Mobile Device and/or laptop computer used by him/her in the PMOA at any time during the match upon the request of the Anti-Corruption Manager to enable the Anti-Corruption Manager to review the history of any communications made on such device during the match. Any Mobile Device or laptop computer carried and/or used by the team doctor in the PMOA pursuant to Article 2.4.7 may only be used by that team doctor, save that the team physiotherapist will be allowed to review medical information contained on the laptop computer in circumstances where the team doctor is present and is in control of the laptop computer. The physiotherapist shall not have access to the laptop computer on his/her own. For the avoidance of further doubt, only one laptop computer (or similar device) can be carried and/or used by the team doctor in the PMOA. It is therefore not permitted for a team doctor to carry both a laptop computer and a tablet or iPad in the PMOA*

- 4.2.8 the *Match Referee* shall be permitted to carry a *Mobile Device* within the *PMOA*, provided that it is used either: (a) by him/her for cricket operations purposes only; and/or (b) by any *Match Official* for any important personal matter only, provided that the *Match Referee* has given his express permission to the *Match Official* before such use;

- 4.2.9 the *Match Referee* shall be permitted to carry and use a laptop computer (or any other similar device), whether to access the *Internet* or otherwise, within the *PMOA*, provided that it is used only by him/her and only for cricket operations purposes;
- 4.3 For the avoidance of doubt, none of the foregoing provisions shall operate to prevent:
- 4.3.1 the use of two-way handheld devices that use dedicated frequencies over short distances (i.e. a walkie-talkie) by *Player Support Personnel* for the purpose of communication between the dug-out and dressing room area for medical and/or tactical reasons only in accordance with the relevant match playing conditions, provided that such communication devices are suitably encrypted to avoid detection by any third party in the nearby vicinity; and/or
- 4.3.2 the use of electronic communication devices between on and off-field *Match Officials* in accordance with the relevant playing conditions and/or any other communication protocols as may be required from time to time, provided that such communication devices are suitably encrypted to avoid detection by any third party in the nearby vicinity;
- 4.3.3 the wearing of microphones by a player in an WPL Match, provided that it is for the purposes of providing commentary to a television broadcast only and it complies with any official regulations that may be in force governing the type and nature of any commentary that Players may or may not be permitted to make on such broadcast during any such Match.
- 4.4 For the avoidance of any doubt, all individuals permitted to carry and use a laptop computer (or any other similar communication device) within the *PMOA* pursuant to Article 4.2 are deemed to have (a) consented to such laptop or other device being monitored by the *BCCI Anti-Corruption Manager* for the purpose of establishing whether or not the *Internet* has been accessed in any relevant period, (b) agreed to provide such laptop or other device to the *BCCI Anti-Corruption Manager* immediately upon request so that any identified *Internet* browsing activity can be audited and (c) agreed to provide such technical information (including, without limitation, any applicable MAC number) about such laptop or other device to the *BCCI Anti-Corruption Manager* as may be necessary to carry out such monitoring and/or auditing activity.

ARTICLE 5 LEAVING THE *PMOA*

- 5.1 Other than in the case of a medical or security emergency, once inside the *PMOA*, should any *Player*, *Player Support Personnel* or *Match Official* need to leave for any personal or any other matter that is not related to the performance of his duties in the *Match* in question, the following process must be followed:
- 5.1.1 prior to leaving the *PMOA*, he/she must obtain the express permission of either (a) the *BCCI Anti-Corruption Manager*, or (b) where the *BCCI Anti-Corruption Manager* is unavailable, the relevant team manager (in the case of a *Player* or *Player Support Personnel*) or *Match Referee* (in the case of an *Umpire*), who must as soon as possible report the grant of any such permission to the *BCCI Anti-Corruption Manager*.

GUIDANCE NOTE: *such permission must explicitly set out where the Player, Player Support Personnel or Match Official is allowed to go within the venue, for what purpose and with whom he/she is entitled to communicate in order to complete that purpose.*

5.1.2 whilst outside of the *PMOA*, the *Player, Player Support Personnel or Match Official* must

(a) carry his/her *PMOA* accreditation card and display it again prior to returning to the *PMOA*;

(c) *only communicate with those third parties with whom he/she has permission to communicate and only engage in such communications as are necessary for the completion of such purposes as have been approved.*

ARTICLE 6 THE AUTHORITY OF THE *BCCI ANTI-CORRUPTION MANAGER*

6.1 At each *WPL Match*, all *Franchisees, Players, Player Support Personnel, Match Officials, Match Official Support Personnel* and any other visitors to the *PMOA* agree and acknowledge that the *BCCI Anti-Corruption Manager* (or such other member of the *BCCI ACSU*) shall have absolute authority, without being required to provide any explanation or reason, to:

6.1.1 be present in any part of the *PMOA* (including, for the avoidance of doubt, any part of the dressing room) where he/she considers appropriate at any time on the day of the *Match*;

6.1.2 issue temporary 'visitor' accreditation cards for the *PMOA* where he/she considers appropriate on the day of the *Match*;
